

Annual Accident Insurance for Extension Groups

Who? The American Income Life Special Risk Division (AIL SRD) has a full-time staff who are personally dedicated to serving customer needs from the initial application for coverage to the end of the claims process. This gives us a great advantage of having the authority of a large company but the feeling of a local business. We are one of the largest blanket insurers of 4-H and Extension groups and programs nationwide and because of this specialization we understand your unique needs and are constantly striving to meet them.

What? Our Annual policies can cover all members of organized Clubs/Groups for as little as \$1/person/year for regular members and \$2/person/year for horse members. Coverage for Volunteers is optional, but recommended.

Why?

1. With AIL SRD, you work directly with the people making decisions, not someone in a huge corporate office.
2. We are able to provide lower costs, quick decisions, and help eliminate delays in the claims process.
3. Our Annual Policies provide primary benefits and have no deductible for covered individuals.
4. Running a successful and safe Extension Program requires a lot of time and energy throughout the year and unexpected complications can happen in almost any situation. Choosing this coverage can help reduce stress for staff, volunteers, and the families of your participants if or when an injury occurs.
